

PSYCHIATRY VIRTUAL BOOT CAMP #2

**RESIDENT/FELLOWS AND MEDICAL STUDENTS
INTERESTED IN PSYCHIATRY**

WHAT

OPPA's exclusive Psychiatry Virtual Bootcamp #2 is designed for all residents, fellows and medical students to serve as a refresher addressing several common, easily confused topics. This is just one of many OPPA member benefits.

TOPICS TO BE COVERED

Mind on Trial: Understanding Competency to Stand Trial

Presented by: Rathisha Pathmathasan, DO, OSU
Explore the role of the psychiatrist to evaluate a defendant's competency to stand trial.

Breaking the Cycle: Medication Assisted Treatment's Role in Alcohol Use Disorder Recovery

Presented by: Julie McCormack, MD, Wright State

Delve into the pharmacological treatment of Alcohol Use Disorder including practice guidelines for selecting a medication, current clinical evidence for available therapies, and strategies for individualized care.

Focus on Focus: Stimulant Use in ADHD

Presented by: Gaelle Rached, MD, Cleveland Clinic

Gain insight into the fundamentals of stimulants for ADHD management with strategies for individualized patient care.

WHEN

**December 4, 2024
6 - 7 p.m.
Virtually via Zoom**

REGISTRATION

This webinar is free to OPPA members, however, advance registration is required. If you are not currently a member, please email us at: oppa@oppa.org

The content of this webinar was developed by members of OPPA's Resident-Fellow Committee, under the direction of Nita Bhatt, MD, OPPA President.
